

FLEX **FOOTBALL**

POWERED BY ROCKSOLID

IS COMING TO NEW JERSEY!

We are excited to put together the *best Spring league in the country*. This program will be as successful as the amount of effort everyone puts into it. Rocksolid will definitely provide you all with marketing assets to help drum up interest and participation, but it is important to remember that we need every organization to attempt to recruit their current teams and players *FIRST*. This will help establish a great foundation for participation. To ensure every NJSYFL chapter is on the same page, please see the below details about FLEX Football.
