Subject: EQUIPMENT WARNING: from Tom Medler - 11/2/17

League Reps,

Tom Medler indicated that numerous NJ-SYFL players have been wearing football pants with no knee pads and the pants are pulled above the knee during regular season games.

This is a violation of NJSIAA High School Rules. Please notify all coaches and players, prior to this Sunday's (11/5/17) Playoff games that knee pads are required and must be worn over the knee caps. Players that do not comply will be directed to leave the field and rectify that issue, before they may return to the game and participate.
