Subject: League Policy: Noise Makers at NJSYFL Games

Date: Thu, Oct 2, 2014 10:07 am

League Reps,

Due to an increased use of certain types of noise making devices, over the past three weeks at certain NJSYFL- game sites, by spectators, the League Executive Board has issued the following policy:

Effective immediately (10/1/14), the use of the following noise making devices are now prohibited by the NJSYFL during all games...

1. Hand-held electronic mega-phones or bull horns
2. Whistles of any kind
3. Air horns
4. Fire or Police-like Sirens

Please forward this email to all coaches and parents immediately. Non-Compliance with this policy, by any team's spectators going forward will result in a review by the League Executive Board and potential game forfeiture.

Bill Harvey
League Secretary
