SYFL Variations of NJ High School Rules

General Guidelines

The following specific variations to New Jersey State High School Football Rules are intended to provide an environment focused on the ability level, health, safety, and welfare of youth athletes. In the absence of any specific SYFL rule, regulation, or guideline, all NJSHS Football Rules shall apply. In all other cases the SYFL rules, regulation, or guideline will supersede the NJSHS rule.

Some common misconceptions often arise with coaches and assistants that have had more exposure to professional or college level rules. The officials engaged by the SYFL to referee scheduled games have all been certified and are well versed in NJSHS rules and are the on-field authority. Any ruling that the referee's make on game day shall stand.

In the event that a coach feels that a specific SYFL rule is not being properly administered or that a NJSHS rule was used when SYFL rules exist to supersede such a ruling, the coach shall have the right to invoke the "**challenge rule**" (Section 5), however the referee's ruling regarding the challenged rule shall also stand as final on game day.

Rules versus Regulations

The game rules proscribed in the following section are intended to be defined in a manner which make them easily understood and enforceable by the game day on-field referee's. Rules are focused primarily on events that comprise the activities of actual game play. Regulations on the other hand, while still enforceable by game day referee's, are more focused upon additional league and/or program guidelines for player safety, ball carrier/waiver violations, coaches conduct, individual player time, field sizes and equipment, etc.

SYFL Game Rules

1.0 GAME STRUCTURE

1.1 DEFALUT – In the absence of an applicable SYFL rule governing a specific situation, by default, NJ High School rules shall apply.

1.2.1 INVOKING – A challenge may be invoked only by the head coach and will be initiated by notifying the closest official that a rule challenge is being made. An official’s time out is then to be called to review the challenge.

1.2.2 RULINGS – The officials will make the final determination on the challenge. Over-ruled challenges will result in the following actions:

1.2.2.1 The team submitting the challenge will be charged a time out. In the event that no time outs remain and the challenge is over-ruled, the team submitting the challenge shall be assessed a 5 yard penalty.

1.2.3 NUMBER – Each team will be allowed one challenge per half. officials will make the final determination on the challenge.

1.2.3.1 Excess - If additional challenges are made and cause a stoppage of play, no ruling is to be made on the challenge, the origin ruling on the field will stand, and team submitting the challenge will be assessed a time out. In the event that no time outs remain, the team submitting the “invalid” challenge shall be assessed a 5 yard penalty.

1.3 FIELD DIMENSIONS

1.3.1 Notification must be given by the hosting program’s league representative to the opposing program regarding the field size, location, and whether the field is equipped with goal posts. Notice must be provided at least 1 week prior to the scheduled game.

1.4 COACHING FORMAT

1.4.1 Competitive Levels (A, B, C & D) will have **three (3) officials** for all league sanctioned games and coaches may only coach from the sidelines for A-C Levels, D Level will have 2 coaches on the field for Offense, but just one coach for Defense.

1.4.2 Introductory Levels (E & F) will be “officialated” by **two (2) paid referees** and a maximum of two coaches for each team will be permitted on the field during game play.

8.4 CHALLENGES

8.5 USAGE – A “coaches challenge” may only be invoked to verify proper application of the SYFL rules set forth in this rulebook, it may not be used for the purpose of disputing a penalty, down ruling, ball placement, score, or missed call.

8.7 RULING – The officials will make the final determination on the challenge.

Forfeits (Enforcement): If the minimum number of players is not present (see rule 10.3) 15 minutes after the scheduled start time, a forfeit is declared.

14.0 **Personal Behavior**

14.1 **Treatment of Officials and Commissioner:** Any coach or player that curses at an official or the commissioner will be ejected. The following behaviors on the part of any coach or player will result in suspension or ejection from the league: 1) telephoning an official at his home or work (excluding head coaches calling the head official of the league), 2) threatening or touching an official, or 3) verbally or physically attacking an official (including racial or religious remarks). Additionally, charges will be pressed with the police if applicable. The above behaviors (except phone calls) are prohibited within the confines of the entire park including any visible area from the playing field.

14.2 **Treatment of Coaches and Players:** Shoving and verbal challenges during a game will result in a personal foul penalty. Profanity on the field or sideline will result in a personal foul without warning. Two personal fouls (live or dead ball) by the same player require that player to be automatically ejected from the game. Two fight suspensions result in that player's expulsion from the league for the remainder of the season. Physical or verbal attack (including racial or religious remarks) results in suspensions or ejection from the league.

14.3 **Suspensions:** Once a player is suspended or expelled from the league for any reason, he may not attend the games he is suspended from. A coach who is suspended may coach his team up until kickoff. He must then remove himself from the team's sideline. Coaches will be notified by Thursday 6:00 PM regarding player suspensions. Videotape may be used for suspension purposes. Coach suspensions mandate that there will be no contact with the team on game day including prep time on game day. The commissioner reserves the right, AFTER a proper league investigation, to change the suspension according to the seriousness of the charges and findings. The suspension will be final with no appeals heard. If a coach fails to follow the suspension requirements, the coach will be immediately removed from the league.

14.4 **Fights:** Should a fight develop, coaches are expected to react in the following manner: 1) secure your sideline to avoid all-out brawl, 2) remove your involved player(s) from the field and a member of the teams coaching staff will escort them to the players parents/guardian and indicate the instruction that the player must leave the property immediately. If the player/parent fail to do so, the player will have additional suspensions or removal from the league placed against them if deemed warranted.

14.5 **Bench Clearing:** If your sideline empties out onto the field, the game can be ended and one or even both teams forfeit. Twice in one season results in team expulsion.

14.6 **TAILGATING PROHIBITED: No tailgating is permitted** by parents, players or coaches while present at the site of a hosting facility at any regular season, playoff, championship or All-Star Game, no exceptions. Violation of this rule will lead to game forfeitures. League Representatives are responsible for communicating this rule to all parents and coaches prior to opening day of each season.

2021 Rates for Officials

Fees Schedule

The fee schedule is established on a “per official” basis. The fee listed will be the amount paid to each official for the number of games being played at the home team location. In situations where a scheduled official does not show up and the other officials must continue “short handed”, the fee scheduled for the other official WILL NOT be split among the other officials. The league position on this situation is that the absence of the proper number of officials compromises the ability to have full coverage of play and the teams should not be responsible for paying for full coverage when in fact it was not available.

Special Consideration

The league recognizes the efforts and time commitments being made by the officials, specifically in cases where officials are travel for less than a “full complement” of a standard three game schedule at the A, B, and C levels. In an effort to address this in an equitable fashion and provide the officials with added incentive for locations not hosting a full schedule, a sliding fee schedule has been adopted. When less than a full schedule of games is being played at a given location, the fee paid per official will increase for each game not paid. (see schedule below)

Payments

Payments of the officials are the responsibility of the hosting program. Every effort is to be made to pay the officials prior to the start of the first game being officiated. A breakdown of the fees paid per official per game are as follows:

A-D : \$75 per game per ref (three refs per game) Effective 2024

E & F : \$75 per game per ref (two refs per game) Effective 2024
